

# Kyohei Kawashima

Institute of Materials Science and Engineering, Kyushu University

Postdoctoral Researcher

## Education

**Ph.D. in Science**, Mar. 2021

Graduate School of Science and Engineering, Ibaraki University

**Master of Science**, Mar. 2018

Graduate School of Science and Engineering, Ibaraki University

**Bachelor of Science**, Mar. 2016

College of Science, Ibaraki University

## Career

Apr. 2021 -	Postdoctoral Researcher Institute for Materials Chemistry and Engineering, Kyushu University
Mar. 2021	Technical Staff Institute for Materials Chemistry and Engineering, Kyushu University

## Research Fields

Physical Chemistry, Theoretical and Computational Chemistry (Organic Chemistry, Organometallic Chemistry, Coordination Chemistry, Physical Properties)
